

POLICY DOCUMENT

Acceptable Use Policy

Version: 2.0 | Effective: 1 March 2026 | Next Review: 1 March 2027 | Owner: Public Sector Analytics Limited

This policy sets out the rules governing use of the askKira platform. Violation may result in suspension or termination of access.

Permitted Use

The platform is provided for AI governance assessment, policy development, infrastructure planning and related organisational activities in accordance with your subscription agreement.

Prohibited Activities

- Processing children's data without appropriate safeguarding controls in place
- Attempting to reverse-engineer or extract underlying AI models or algorithms
- Uploading unlawful, harmful, defamatory or sensitive content beyond what is required
- Using the platform to develop competing products or services
- Sharing login credentials or allowing unauthorised third-party access
- Circumventing any security, access control or usage limitation feature
