Ofsted Data Protection Compliance Statement

Version: 2.0 | Effective: 1 March 2026 | Next Review: 1 March 2027 | Owner: Public Sector Analytics Limited

Aligned to: Ofsted Education Inspection Framework (EIF) — Data Protection Requirements

This statement confirms how askKira supports schools and Multi-Academy Trusts in meeting their data protection obligations as assessed under the Ofsted EIF.

Lawful Basis for Processing

askKira processes school and staff data only where a clear UK GDPR lawful basis exists — typically performance of a contract, legal obligation or legitimate interests. We provide schools with a formal Data Processing Agreement for Ofsted inspection readiness.

Children's Data

The askKira platform is designed for senior leaders and governance professionals — not for direct processing of pupil personal data. Enhanced controls apply where any incidental children's data is processed.

Documentation Available to Schools

- Signed Data Processing Agreement (within 5 working days of request)
- Sub-processor register
